

**BITFEST**  
2019

# Project Showcasing

## *Announcements:*

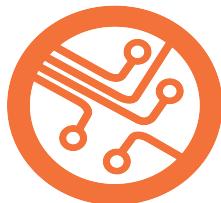

1. Students from different universities are allowed to participate in the same team.
2. Participants must bring their respective Student IDs for verification purposes.
3. Each team must have minimum 3 members. For extra members, additional registration fee will be introduced.
4. Exhibition details will be announced 3 weeks before the event.

## *Rules & Regulations:*

1. Participants must submit their projects before the exhibition.
2. Each group can showcase as many projects as they want, however, registration has to be done against each submission.
3. Each group should bring their own electrical equipment (e.g. batteries, chargers, converters, multi plug).
4. Participants are allowed to design and build any hardware or software-based product or prototype.
5. In all cases, decisions taken by organizing committee will be judged as the final decision.
