

BITFEST
2019

HACKATHON

Online Registration:

Every team has to register online and choose a topic

- > Agriculture
- > Education
- > Health
- > Travel

on which they are interested to develop an application during registration.

No registration will be done without the registration fee. No on spot registration or payment is allowed for hackathon. No registration will be accepted after the registration deadline.

Application Development:

In this phase the team needs to develop an application for a given problem statement based on the topic they selected within 8 hours.

Rules and Regulations:

1.The application must be developed on any of the following platforms:

- > Android
- > iOS
- > Web

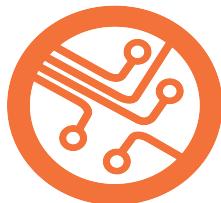

2.The problem statement and challenges will be given on the spot in the event day.

3.The developed application does not need to be 100% complete. Building only the prototype and how the prototype is related with the problem statement is enough.

4.The hackathon will continue for 8 hours. Each team must stay for 8 hours. The team leader will give a presentation on their proposed solution after the development phase.
